It has become a common saying in
Wailuku and other parts of Maui:

If you can not get what you want
in any other store go to the Maui
Drug Store they carry everything.

While this statement is as true as
it is flattering we would respectfully
suggest that our friends and patrons
come to us first, thus saving them-
selves the trouble of running from
store to store without getting what
they want.

NEW PINEAPPLE PLANTATION ORGANIZED

\$40,000, Quickly Raised--Officers Elected and
Business Begins--Good Prospect for the
New enterprise--Libels Vessel.

STEAM LAUNDRY TO START.

Site Leased and Manager Employed for the Maui Steam
Laundry Co. Ltd.--Building will be Erected
Near the New Depot.

PUKALANI DAIRY AND PINE- APPLE CO. IS FORMED.

The Pukalani Dairy and Pine-
apple Company has been incor-
porated with a capitalization of
Forty Thousand Dollars and all
but a very few of the shares sub-
scribed.

A. F. Tarvares was elected as
first President and R. A. Wads-
worth as Vice-President, J. Gar-
cia Secretary and Treasurer. The
Directors are H. Streubeck, M. A.
Tarvares, and J. M. Ambrose.

The dairy of the company is
located at Makawao while the pines
are near the Haiku Fruit and
Packing Company's plantation.

There is one lot of pasture lands
amounting to two hundred and
seventy six acres. Two hundred
and seventy eight acres will be
planted to pines.

The dairy is already a paying
business while the pine lands are
partly planted. The industry
should be a successful one as the
men who are at the head of the en-
terprise are successful business
men and the pineapple industry is
one of the best paying enterprises
in the islands.

STEAM LAUNDRY TO START.

The directors of the Maui Steam
Laundry Company have secured a
long lease on a suitable lot of land
near the Wailuku Depot and will
call for bids for the erection of the
plant soon. A manager has been
employed and is expected to arrive
about the first of April.

The enterprise should be patro-
nized by all of the people on the
island as the insanitary condition
of the Chinese laundries is such
that they are out of the question.

The erection of the building near
the depot will facilitate the delivery
of clothing to people living away
from Wailuku while it is yet so
near town that it can be readily
reached from the remotest local-
ities.

CLAIMS HEAVY DAMAGES.

Henry Witthof, formerly mate
of the barkentine Fullerton filed a
heavy libel last week in the U. S.
District Court upon that vessel on
its arrival from Port Hartford with
a cargo of fuel oil. He claims
fifty thousand dollars for the loss
of his right arm.

It will be remembered that on
the last trip of the Fullerton to
Kihai on January 3 the mate was
brought over to Malulani Hospital,
Wailuku, with his right arm badly
crushed and on the 6th Dr. Dinegar
found it necessary to amputate
that member four inches above the
elbow.

Witthof claims that on Decem-
ber 24, 1906, while the Fullerton,
in tow of the S. S. Lansing was en-
route to Kihai from Harford, the
anchor chain on the Fullerton
slipped along the "wild cat," an
apparatus over which the chain
slides, and caught the right arm of
the libellant, and bruised and in-
jured it to a shocking extent. Al-
though the vessels were then less
than 500 miles from Port Harford,
the master of the Fullerton refused
his duty to the injured man, and
persisted in continuing the voyage
to Kihai, a distance of over 1500
miles.

He claims that his ability to
earn his living as a mate at the
scale of \$100 a month and his
board on vessels, which would be
worth an additional \$50, is now
ended, so he prays relief.

U. S. Marshal Hendry placed a
deputy aboard the vessel pending
the filing of a bond.

tive expenses of the Territory of

their compensation of two hundred
dollars, or any mileage, for any
extra session held in compliance
with section fifty-four of an Act to
provide a government for the Ter-
ritory of Hawaii, approved April
thirtieth, Anno Domini Nineteen
Hundred; therefore,

"Be It Resolved by the Senate
of the Territory of Hawaii, the
House of Representatives concurr-
ing, that the benefits of said appro-
priation be made available to the
Territory by a compliance with the
terms thereof by the Legislature
and the several members thereof,
and such compliance is hereby ex-
pressed."
